New Albany, OH[Linkedin.com/in/Farzana-azad-hussain-01b065144](https://www.linkedin.com/in/Farzana-azad-hussain-01b065144)[github.com/Farzana01](https://github.com/Farzana01)

## TECH SKILLS

JAVA  
CSS  
HTML  
GIT/GITHUB  
JAVASCRIPT  
LIBRARIES/API  
Databases & SQL  
AGILE DEVELOPMENT  
Object-Oriented Programming

## EDUCATION

BACHELOR'S DEGREE  
Business Administration  
FRANKLIN University  
2004– 2008CERTIFICATION  
We Can Code IT  
August 2017

## VOLUNTEER

New Albany Plain Local Schools  
4<sup>th</sup> grade  
MathBALA foundation  
Stage manager,  
Program Coordinator, Sunday school  
teacher

## PROFESSIONAL PROFILE

Recently completed an immersive Java developer Bootcamp at We Can Code IT. Aside from learning Java, also worked with databases (SQL) and front-end technologies (JSP, HTML/CSS, JavaScript). Projects are available at [github.com/Farzana01](https://github.com/Farzana01). In short, I am a critical thinker who challenges the status quo driving process and quality improvements.

## EXPERIENCE

Senior Hedge Fund Analyst

Citi Hedge Fund Services

Aug 2011- Sept 2014

- Assisted portfolio managers in formulating the training program for new employees
- Communicated the progress and results of IT project to client regularly
- Accurately managed hedge funds and increased client investment by \$10 million.
- Managed risk with compliance guidelines and avoided penalties.
- Supervised virtually a group of four in India. Responsibilities included overseeing the monthly processes to close books accurately and in a timely manner

Senior Portfolio Accountant

Citi Alternative Investment Strategies

July 2009-Aug 2011

- Excellent communicator and adept at building strong working relationships with coworkers, management, and client.
- Effective in auditing- never settled for any answer or transaction that did not seem right.
- Excellent at sorting out connections and linkages within the organization to focus the audit approach
- Led process automation project and successfully decreased employee over-time hours from an average of 30 hours per week to just 7 hours per week. The company had saved \$80,000 per year.

Mutual Fund Accountant

Citi Global Transaction Services

Feb 2008-July 2009

- Maintained 100% accuracy calculating the NAV daily reducing time of delay by 30% according to financial tracking analysis.
- Key contact between client and pricing team. Mentored and supervised peers throughout pricing processes and submitting to Reuters accurately and on time.
- Utilized exceptional customer service skills to attract and retain high-value customers.
- Promoted to maintain large cap mutual funds which ranged over \$200 billion.
